

Ms. Kelly

MAY 2022

Dear Families,
I cannot believe we are in our last month of school. I have really enjoyed spending my days with your children. I want to thank you for allowing me to be their teacher. It has been a great year, despite the challenges we faced. I hope to one day be able to see all of you without a face covering. This month we will begin with a celebration of Moms and Dads. The rest of the month we will have some fun days talking about the end of the year. We will celebrate our favorite activities and stories. We will discuss our plans for the summer and next school year. May 12 & 13 we will have a Pirates in Pajama party. Please have your child wear their pajamas to school those days if they choose to.

Thank you for all your support over the school year! We had a great time last month with all of our recyclables. The children love to bring things in to support our studies.

Over the summer months I encourage you to continue working with your child on letter recognition and sounds, number skills, and pencil grip. Playing board games and outside yard games are also great things to do to help your children stay connected to learning while still having fun.

Spring Program-May 4
Pajama Party-May 12 & 13
Last Days of School: May 24 & 25
End of the Year Picnic-May 25

I hope you to see everyone at the Spring Program & the Picnic!!!
Love, Ms. Kelly
