It's really hard to believe we only have two months left of preschool. This year has flown by.

The teachers have some fun activities planned for the students this month. I'm sure you will see some Easter bunnies as well as hear the Easter Story.

I pray this Easter season will bring new life and sunshine in your life.

Happy Easter!

The children will be outside more this month. The outdoor music center, looking for bugs and worms, and sidewalk chalk will be extensions of inside studies. Please make sure your child is dressed according to the outside morning temperature each day.
