

December will be a busy month for us. Our themes are Advent and Christmas! I am looking forward to sharing the true meaning of Christmas with the children, the birth of Jesus! We will be discussing Advent and really exploring the story of the Nativity.

I also have some Santa activities planned. We will be sorting letters to Santa, doing some science experiments with candy canes, and playing memory games too! Our letter this month is li.

If you and your family have some special holiday traditions I would love to hear all about them. I will send a note home for you to fill out and send back. We will talk about all the ones we have in common and some of the ones we do differently.

Thank you for sending in all the balls! We had so much fun exploring and learning with them. Also, thank you so much for sending in all the non perishable items. It was amazing for the children to see how they can make a difference in the community!

I want to wish all of you a Very Merry Christmas! I hope this is a year that you can create some new family traditions. Try to find some quiet time to celebrate the true meaning of the holiday. I look forward to hearing all about it in the New Year!

Love, Ms. Kelly
