

Ms. Kelly March 2023

We made it to March!!! I want to thank you for sending in boxes and pictures of buildings, for our study last month.

We will begin this month studying Reduce, Reuse, Recycle. Please send in junk from home. Items that are clean and safe, like egg cartons, old magazines, any recyclable items that we can sort, paint with, stack etc. We will be looking for the recyclable symbol too. We will end the month learning about Pets/Easter. Please send in pictures of your pets or ones that you would like to have.

Remember to encourage your child to work on their Lenten project. Let me know if you need more stickers! We will continue this project till Easter.

We will begin with a letter review and then learn S, U, W, & review
Important dates:

No Preschool-March 8 & 11

Wear **Green**-March 14 & 15

Center Closed for Good

Friday-March 29

Just a reminder that we go out early in the morning. Even when the temperature is suppose to be warm for the day, it is usually cold outside in the morning. I'm hoping we can get outside more often. I wish you all a blessed Easter season!

Happy March!

Love, Ms. Kelly

Week of: March 4-8 **Teacher:**Ms. Kelly

sandpipers

Study: Reduce, Reuse, Recycle

Topic: What do we know about reducing, reusing? What do we want to find out?

letter Ss

	Monday	Tuesday	Wednesday	Thursday	Friday
