

Ms. Kelly

MAY 2023

Dear Families,
I cannot believe we are in our last month of school. I have really enjoyed spending my days with your children. I want to thank you for allowing me to be their teacher. It has been a great year! This month we will begin with a celebration of Moms and Dads. The last week we will have some fun days talking about the end of the year. We will celebrate our favorite activities and stories. We will discuss our plans for the summer and next school year. Our letters are Y & Z

Thank you for all your support over the school year!
I really appreciated all you did for our class!

Over the summer months I encourage you to continue working with your child on letter recognition and sounds, number skills, and rhyming words. Playing board games and outside yard games are also great things to do to help your children stay connected to learning while still having fun. Reading to your child is one of the best ways to encourage creativity, helps build their language skills, can help reduce stress among many other benefits.

End of the Year Picnic- May 17
Last Days of School: May 18 & 19

I hope you to see everyone at the Picnic!!!
Love, Ms. Kelly
