## April 2024

We had a good time learning about Reduce, Reuse, Recycle. Thank you for sending in all the items. We put everything to good use! Thank you for sending in pet pictures. We enjoyed learning about each other's pets and ones we would like to have.

This month our themes Spring, Growing, and All About Dad.

I would like everyone to send in a baby picture of your child. Please put the picture in an envelope so we can play a guess who game. I will return the pictures at the end of the month.

I hope the children ended up with jars filled with stars at the end of Lent. Thank you for helping with their Lenten projects.

No Preschool- April 1-5  
Center Closed-April 8  
Spring Program-April 15  
Our letters this month:  
Xx, Yy, Zz review  
Please continue to review letters and letter sounds with your children at home.

Love, Ms. Kelly
