Ms. Kennedy's class

Parents,

I cannot believe that it is May already and the school year is coming to an end! It has been such a pleasure to get to know each of your children. We have had a wonderful year, and I hope they will have happy memories from their time in my class. I wish you all the best!

What we will be learning

This month we will be honoring moms and dads. The kids will be making a homemade card and gift for both parents, and we will talk about what makes our parents special and what we love about them! To finish the year, we will end with lots of fun engaging activities and games!
