April 2026

What We Learned

Exercise

We studied Impressionism this month. Each student learned about notable artists and paintings. We then created our own Impressionist paintings by observing nature outside.

Farm

The students enjoyed activities that allowed them to collaborate in groups and find the missing shapes in different pattern sequences.

Easter & Spring

After building their own race cars, each student was able to test their car on our ten-foot racetrack ramp. Using some basic concepts of physics, the students modified their cars to make them faster.

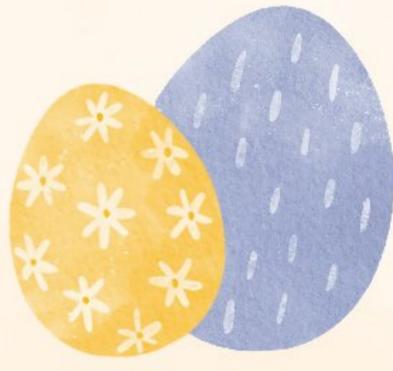

Reminders

Daycare Only 13th and 16th -
Pack a lunch

Wear green for St. Patrick's Day,
Tuesday the 17th

Upcoming Events

- No Preschool: Friday 13th & Monday 16th
 - St Patrick's Day, Tuesday 17th
- 

Week of: March 2- 6

Teacher: Miss.Sarah
