# SEPTEMBER

## Welcome!

Dear Parents,  
Welcome to the 2024-2025 school year! I hope you had a fun-filled summer with your family. This school year we will be using the Creative Curriculum. Throughout this curriculum your child will engage in daily activities including: fine motor, gross motor, science, math, literacy, and story time. I have several fun activities planned! I would also like to ask parents to send in extra play clothes and a family picture if you have not already. By the end of the school year your child will be well prepared to be successful in Kindergarten. I look forward to working with your child and helping them grow.  
Miss. Susie
