

Dear Parents,

Hello everyone! Wow! It's hard to believe the end of the school year is almost here. It seems like it was only yesterday when I was introducing myself to the class as their teacher. The children are a real blessing and I am thankful for their achievement that they have accomplished so far this year.

OUR STUDY: The children will be studying about Spring as the time when the weather gets warmer, plants and flowers starts to grow, and animals come out of their winter sleep, making it a fun time for new beginnings and outdoor adventures. The students will be studying about Easter. It's the Resurrection Sunday celebration from when our Lord Jesus died on the cross for our sin. He died because He loves us so much and was raised from the dead on the third day and by accepting Jesus as Lord and Savior we can be promised an eternal home in heaven. Then, the other study is about Farm is a place where people grow crops and raise animals to produce the food , materials, and resources we use every day.

Our letters study for this month: Xx, Yy, and Zz.

ATTENTION PARENTS: Our Spring Program is on Wednesday, April 9 @ 6:30p.m. in the Church. Please arrive at Church by 6:15pm.
