

Dear Parents,

Hello! So thankful the weather is feeling a little bet warmer and I think the kids can't wait to go outside again! So thankful for God's blessing and His love for everyone.

The students will be studying about Reduce, Reuse, and Recycle. There are so many things we can do to help. For example, we can plant vegetables/ fruits, ride bike, buy reusable bag and get produce from local farmer's market. I would like to ask families by bringing in "Junk" from home items that typically get thrown away like: large boxes, paperboard, newspapers and aluminum cans.

The other study is about Pets. How do we take care our Pets? One of the best resolutions that we can make and keep is to call your local Animal Shelter and make arrangements to see if there is a stray dogs or cats that you can take into your home.

Finally, the students will be studying about Easter. It's the Resurrection Sunday celebration from when our Lord Jesus died on the cross for our sins because He loves us so much and was raised on the third day and by accepting Jesus as our Lord and Savior of our life we can promised an eternal home in heaven! The students will be showcasing their Easter projects in the classroom.

Our letter alphabets for this month: Ss, Uu, and Vv.

FYI: There will be NO Preschool on Friday, March 8 and on Monday, March 11. The center will be Open for full day care only. All students will need to pack a sack lunch!

JUST A REMINDER! On Friday, March 29 the Center will be "CLOSED" for Good Friday observation.

If you have any questions, please don't hesitate to call the Center. Thank you!

Have a blesses day,

Mrs. Vivian

Week of: March 4-8, 2024

Teacher: Mrs. Vivian

Weekly Theme: Reduce, Reuse, and Recycle

	Monday	Tuesday	Wednesday	Thursday	Friday
