

Dear Parents,

Hello everyone! I'm so thankful the weather is feeling a little bet warmer and I think the students can't wait to go outside again! So thankful for God's blessing and His love for everyone.

The students will be studying about Reduce, Reuse, and Recycle. There are so many things we can do to help. For example, we can plant vegetables/ fruits, ride bike, buy reusable bag and get produce from local farmer's market. I would like to ask families by bringing in "Junk" from home items that typically get thrown away like: large boxes, paperboard, newspapers and aluminum cans.

The other study is about Pets. How do we take care our pets? One of the best resolutions that we can make and keep is to call local Animal Shelter and make arrangements to see if there is a stray dogs or cats that you can take into your home.

Our letter alphabets: Uu, Vv, and Ww.

JUST A REMINDER! On Friday, March 14 the Center and the Big School and the Child Care will be "CLOSED" due to Inservice Day.

FYI: There will be No Preschool on Monday, March 17. The Center will be open for full daycare only. All students will need to pack a sack lunch!

If you have any questions, please don't hesitate to call the Center. Thank you!

Have a blessed day,

Mrs. Vivian

Week of: March 3-7, 2025

Teacher: Mrs. Vivian

Weekly Theme: Reduce, Reuse, and Recycle

	Monday	Tuesday	Wednesday	Thursday	Friday
