

Welcome to St. Christopher Center for Children. As we begin this year some changes have been made for the health and safety for the children, staff and parents. I'm sure we will have a hiccup or two as we move along. Please be patient, however if you have any questions or concerns, please ask.

For the health and safety of everyone, PLEASE do not send your child if they are ill. Please do not give fever reducing medicine before they arrive. If they have a cough or nose mucus, you must keep them home. If they have a fever they must be fever free for a complete 24 hours without medicine before they return.

If your child is in morning preschool only, your child's teacher will go out to greet your child and take their temperature. He/she will meet their teacher to walk into the classroom. Then the next group of children will arrive and the procedure continues. Please make sure you arrive during your time. If you do not make the drop off window you may drop off after 9:00. You will then need to walk your child into the building. Your child's pick up time will remain the same. If you would like to talk to your child's teacher, please email him/her to schedule a time. They won't have the time at drop off or pick up due to our time constraints.
